- 2.3 **Drawdown Notice.** Upon completion of the conditions precedent as set out in Clause 7 (*Conditions Precedent*) (to be determined at the sole discretion of the Agent and/or Lender, and confirmed via the Site), the Borrower can issue a Drawdown Notice via the Site. The Drawdown Notice must be issued no later than 10:00 a.m. (London time) on the second Banking Day before the date on which the drawdown is intended to be made, and such date to always fall within the Availability Period. Once issued, the Drawdown Notice cannot be revoked without the prior written consent of the Agent.

- (ii) For Short-Term Loan: The Borrower shall pay on each Interest Payment Date, the accrued interest on each Advance.
- (b) The interest rate for the calculation of interest shall be the Interest Rate as specified in the Facility Letter, which will be determined on the Drawdown Date. Since the applicable interest is a floating one, it is acknowledged that the Interest Rate might change between the date of this Agreement and the Drawdown Date. In such an event, the applicable Interest Rate will be the one available on the Drawdown Date or the previous available day rate. Information on determinations or calculations of interest and servicing reports (including information on such determinations and calculations) may at the sole discretion of the Agent be made available to the Borrower on a monthly basis, and shall be conclusive, binding and full evidence, save for manifest error, on the Borrower.
- (c) No compounding of Interest: For the avoidance of doubt, it is hereby acknowledged that the interest shall not be compounded.

The period beginning on such due date and ending on such date of payment shall be divided into successive periods as selected by the Agent, each of which (other than the first, which shall commence on such due date) shall commence on the last day of the preceding such period. all the Advances together with interest accrued thereon to the date of repayment and any and all other amounts due under this Agreement and/or the Security Documents, failing which the Borrower shall be automatically in default and any amount so due shall bear default interest (as conclusively certified by the Agent save in case of manifest error) in accordance with Clause 3.2;

provided, however, that the Agent shall be entitled upon the happening of an Event of Default to exercise any of the rights under Clause 9.2 and to terminate the Facility in whole, whereupon all the Advances shall become due and payable without any diligence, presentment, demand of payment, protest or notice or any other procedure from the Agent which are expressly waived by the Borrower and the Borrower shall be obliged to immediately repay or procure repayment to the account of the Lender all the Advances together with interest accrued thereon to the date of payment and any and all other amounts due under this Agreement and/or the Security Documents and the Available Facility Amount shall be reduced to zero.

provided, further, that (a) on the Final Maturity Date the Facility will be terminated, (b) on the Final Maturity Date the Borrower shall also pay to the Lender any and all other moneys then due and payable under this Agreement and the other Finance Documents and (c) if the Final Maturity Date falls on a day which is not a Banking Day, the due date therefor shall be extended to the next succeeding Banking Day unless such Banking Day falls in the next calendar month in which event such due date shall be the immediately preceding Banking Day.

4.2 **Voluntary Prepayment.** The Borrower shall have the right, upon giving the Agent not less than two (2) Banking Days' notice in writing, to prepay to the account of the Lender, along with the Prepayment Fee, part or all of the Facility, in each case together with all unpaid interest accrued thereon and all other sums of money whatsoever due and owing from the Borrower to the Lender hereunder or pursuant to the other Finance Documents and all interest accrued thereon, provided, that:

- (a) the giving of such notice by the Borrower will irrevocably commit the Borrower to prepay such amount and on the date as stated in such notice;
- (b) each such prepayment shall be in an amount equal to Ten thousand Dollars (\$10,000) or a whole multiple thereof or the balance of the Facility and will be applied in or towards reduction of the outstanding Advances or as otherwise agreed in writing between the Agent and the Borrower;

- (e) the Borrower may not prepay the Facility or any part thereof, save as expressly provided in this Agreement or as otherwise agreed by the Agent;

Provided always that if the Borrower shall, subject always to Clause 4.2(a), make a prepayment on a Banking Day in respect of the whole of the Facility, it shall, in addition to the amount prepaid and accrued interest, pay to the account of the Lender any amount which the Agent may certify is necessary to compensate the Lender for any costs incurred by the Lender as a result of the making of the prepayment in question.

5.1 Payments – No set-off or Counterclaims

- (a) The Borrower acknowledges that in performing its obligations under this Agreement, the Lender will be incurring liabilities to third parties in relation to the funding of amounts to the Borrower and that it is reasonable for the Lender to be entitled to receive payments from the Borrower gross on the due date in order that the Lender is put in a position to perform its obligations to the relevant third parties. Accordingly, all payments to be made by the Borrower under this Agreement and/or any of the other Finance Documents shall be made in full, without any set-off or counterclaim whatsoever and, subject as provided in Clause 5.3 (*Gross Up*), free and clear of any deductions or withholdings or Governmental Withholdings whatsoever, as follows:

These alternative arrangements will be without prejudice to the fact or timing of such obligations to make payment, all of which shall otherwise remain unaffected.

5.2 **Payments on Banking Days.** All payments due shall be made on a Banking Day. If the due date for payment falls on a day which is not a Banking Day, that payment due shall be made on the next following Banking Day unless such Banking Day falls in the next calendar month in which case payment shall be made on the immediately preceding Banking Day.

The Borrower shall indemnify the Lender against any losses or costs incurred by the Lender by reason of any failure of the Borrower to make any such deduction or withholding or by reason of any increased payment not being made on the due date for such payment. The Borrower shall, not later than thirty (30) days after each deduction, withholding or payment of any Governmental Withholdings, forward to the Agent official receipts and any other documentary receipts and any other documentary evidence reasonably required by the Lender in respect of the payment made or to be made of any deduction or withholding or Governmental Withholding. - 5.5 **Mitigation.** If circumstances arise which would result in an increased amount being payable by the Borrower under this Clause then, without in any way limiting the rights of the Agent and the Lender under this Clause, the Agent and the Lender shall, if requested to do so by the Borrower, use reasonable endeavours to transfer the obligations, liabilities and rights under this Agreement and the other Finance Documents to another office or financial or credit institution not affected by the circumstances, but neither the Agent nor the Lender shall be under any obligation to take any such action if in its opinion, to do so would, might or may:
- (a) have an adverse effect on its business, operations or financial condition; or
 - (b) involve it in any activity which is unlawful or prohibited or any activity that is contrary to, or inconsistent, with any regulation; or
 - (c) involve it in any expense (unless indemnified to its reasonable satisfaction) or tax disadvantage.
- 5.6 **Tax credits.** If the Lender receives a repayment or credit in respect of tax on account for which the Borrower has made an increased payment under Clause 5.3 (*Gross up*), it shall pay to the Borrower a sum equal to the repayment or credit received, provided, always, that:
